EFFECTIVE MARCH 13, 2021

The Board of Hamilton County Commissioners have voted February 11, 2021 to decrease the Permissive Fee to 2.0 mills to be in effect March 13, 2021.

All deeds and other legal documents presented or received to the Hamilton County Engineer (for legal description approval), to the Hamilton County Auditor's office or through electronic filing after 3:20 p.m. on Friday, March 12, 2021 will be subject to this increase.

Please note that if you bring a deed or other legal document in prior to the 3:20 p.m. deadline on March 12, 2021 containing errors and resubmit on or after March 13, 2021 the new fee WILL need to be collected.
