

## **REQUESTING AN ADVANCE PAYMENT OF PROPERTY TAXES**

*(Ohio Revised Code § 321.24)*

A taxing authority may pass a resolution or ordinance requesting the advance payment of property taxes prior to the completion of a tax settlement.

The resolution or ordinance must contain the following information.

- Designate the individual(s) by name and their official title or position authorized to make a request, i.e., the fiscal officer, treasurer, administrator, or city/village manager. (General office staff should not be designated.)
- If the individual(s) appointed to make the requests separates from the taxing authority, a new resolution or ordinance should be passed designating the new individual(s) by name and title.
- Specify the period of time, i.e., the current fiscal year, from January 1, 2018, through December 31, 2018, or for school districts, July 1, 2017, through June 30, 2018.

The resolution will act as a “blanket resolution” and will be good for the current calendar year, or for the period specified. The resolution can be passed in December of the preceding year or any time during the current year. Once approved, the fiscal officer should file the resolution with the County Auditor’s Office.

- ***No advance requests will be processed without having this document on file in the Auditor’s Office.***

The Auditor’s Office can then accept an e-mail or fax from the person that the governing body has authorized to make the advance request. If the funds are available, an advance will be processed. If sending the request by email, please send the request to both Angie Wimsatt at [angela.wimsatt@auditor.hamilton-co.org](mailto:angela.wimsatt@auditor.hamilton-co.org) and Tammy Disque at [tammy.disque@auditor.hamilton-co.org](mailto:tammy.disque@auditor.hamilton-co.org).

- ***A new request will be required for each advance processed. There is no provision for a “blanket request”.***

If a taxing authority submits a request without following the procedures, they will be notified that we cannot proceed with the request without corrective action.
