### **RHODES ANNOUNCES TAX LEVY SERVICE FOR VOTERS**

Hamilton County property owners will again be able to see what they will pay in taxes if proposed levies on the ballot on Tuesday, November 2 in their taxing districts are passed.

County Auditor Dusty Rhodes has added specific information on new levies on his website [www.hcauditor.org](http://www.hcauditor.org). By accessing their property record, homeowners can go to the Levy Info tab on their main page to see the effect of new levies if passed based on their property's current value.

"This is vital information which allows voters to see what they will pay if new tax levies are approved," said Rhodes. "It is all a part of holding government accountable to the people who pay for it," he added.

The attachment is a table listing the levies which will appear on the November ballots in Hamilton County.

The first two columns identify the taxing authority and the purpose of the levy. Also listed is the requested millage, the type of levy, its duration, the current tax on a \$100,000 market value property, and the estimated annual amount the tax would raise if approved by the voters.

The estimated annual cost to taxpayer column refers to an owner-occupied residence and assumes both the 10 percent and 2.5 percent state reductions and the county's stadium sales tax reduction.
