SALES TAX PETITIONS ONLINE

County Auditor Dusty Rhodes has posted all the county sales tax referendum petitions on the Auditor's website, www.hamiltoncountyauditor.org State law requires petitions to obtain a vote on a proposed county sales tax must be deposited in the Auditor's office for public inspection for ten days before being delivered to the Board of Elections for validation.

"Due to the significant public interest in reviewing the petitions I thought it would be more convenient for citizens to inspect them online whenever they choose rather than have to come to the office limited to regular business hours," said Rhodes. "Now they can check them 24/7," he added.

The petitions are located under the "Downloads" icon on the left-hand side of the Auditor's main page.
